## Shine it: Light-up shoes for grown-ups

Shoes with air pumps, shoes with roller balls. It was only a matter of time before shoes with lights entered the fray for adults.

Provided

Jeziqn has captured illumination technology in the "Night Eagle" line of basketball sneakers. The illuminated sole and imported glove-leather upper shoes are about \$150 at

Downtown Locker Room stores nationwide. They are due at Finish Line stores this spring. Phone orders: 888-453-9446.
